The following is an outline of the proposed changes to the User Fees by department:

## Finance

### *Tile Drainage Loan Application and Inspection Fee*

Landowners in the Township planning to install a tile drainage system on their agricultural land are eligible for a tile loan application subject to approval by Council. The required funds are borrowed by the Township from the Ontario Ministry of Agriculture, Food and Rural Affairs and then the Township redistributes the funds to each individual applicant. The agricultural property owner is responsible for making the loan repayments over a ten year period and the payments are collected in the same manner as property taxes.

Before the tile drainage work begins, the owner must notify the Township to arrange for an initial inspection by an inspector of drainage (appointed by Council).

Outlined below are the fees charged by comparator municipalities:

- Guelph Eramosa
  - Tile Drainage Compliance Letter - \$100
  - Tile Drainage Application - \$50
  - Tile Drainage Inspection - \$100
- Mapleton
  - Tile Drainage Application - \$50
  - Tile Drainage Inspection - \$100
- Minto
  - Tile Drainage Inspection - \$200

It is recommended that a fee of \$200 be established for a tile drainage loan application and inspection.

## Corporate

- No changes

## Public Works

It is recommended that the entrance permit fee be increased by the CPI inflation rate of 2.2%.

## Fire and Rescue Services

It is recommended that all Fire & Rescue fees which are based on the Standard Ministry of Transportation (MTO) rate per hour per truck be increased to \$465.42.

The Standard MTO rate has increased to \$465.42 effective November 1, 2017. The following fees have increased from the \$450.00 per hour per truck to \$465.42 per hour per truck:

- Boarding or Barricading Plus Materials
- Burning Permit Violations or Unauthorized Open Air Burning
- Emergency Responses to Motor Vehicle Occurrence/Incident/Collision
- Fire Alarm False Alarm Calls
- Post Fire Watch

## Building

The Building Code Act requires that the total amount of building permit fees meets the total costs for the municipality to administer and enforce the Building Code Act and Regulations. Building permit fees were established to fully recover the Township's cost of providing building permit services, including an allocation of administrative overhead/indirect costs. Any surplus revenue from building permit fees is transferred to a restricted reserve, to be drawn upon in years of declining building activity.

The Township's Building Surplus reserve balance from 2014 to 2017 is outlined below:

	2014	2015	2016	2017
Building Restricted Reserve	\$494,289	\$499,099	\$573,096	\$793,502

Based on the above, it is not recommended that the fees in the Building department appendices be increased by the CPI inflation rate of 2.2%.

### *Occupancy without an Occupancy Permit*

Report BLDG-2018-001 – Proposed Building By-law recommends an administrative fee for the issuing of an occupancy permit when a building has been occupied in the absence of an occupancy permit.

Outlined below are the comparator municipality fees for occupancy without an occupancy permit:

- Centre Wellington - \$162
- Guelph - \$500
- Cambridge - \$116
- Hamilton - \$153

It is recommended that a fee be established in the amount of \$250 in order to compensate the Township for additional work incurred due to the unauthorized occupancy of the building.

The Township will not be imposing the above fee as it relates to the current initiative of closing old open building permits as approved by Council in the 2018 Budget.

#### *Garage/carport (per bay)*

The previous user fee by-law incorporated a flat fee of \$156 for a garage/carport (per bay). A bay is considered to be 200 square feet.

It is recommended that this fee be changed to a cost per square foot fee rather than a flat fee of \$156 per bay. This results in a fee of \$0.78 per square foot.

#### Planning and Development

It is recommended that the following fees in the planning and development department be increased by the CPI inflation rate of 2.2%:

- Consent Review and Condition Clearance
- Lifting of Holding Designation (Zoning)
- Minor Variance
- Part Lot Control Exemption By-law
- Telecommunication Tower Proposals

#### *By-law*

It is recommended that the following fees in the by-law department be increased by the CPI inflation rate of 2.2%.

- Kennel Licence
- Swimming Pool Enclosure Permit

It is recommended that the Municipal Addressing Sign fee of \$40.00 (net of HST) be redistributed into two separate fees based on customer requests for obtaining one of either the Municipal Addressing Sign or Municipal Addressing Post.

- Municipal Addressing Sign - \$20.00 (net of HST)
- Municipal Addressing Post - \$20.00 (net of HST)

*Parks, Optimist Recreation Centre and Puslinch Community Centre*

It is recommended that Parks and Recreation fees be increased by the CPI inflation rate of 2.2% as recommended by the Recreation Committee in previous years.

**FINANCIAL IMPLICATIONS**

The fees approved as part of the User Fees and Charges By-law will be incorporated in the 2019 Operating Budget.

**INTERPRETATION**

The following requirements are to be applied in the calculation of permit fees:

- Floor area of the proposed work is to be measured to the outer face of exterior walls and to the centre line of party walls or demising walls.
- Unfinished loft space, habitable attics, mezzanines and interior balconies are to be included in all floor area calculations.
- Unfinished basement space and attached residential garages are not included in floor area calculations.
- The occupancy categories in this Schedule correspond with the major occupancy classifications in the Ontario Building Code. For multiple occupancy floor areas, the permit fees for each of the applicable occupancy categories may be used.
- In the case of interior alterations or renovations, area of proposed work is the actual space receiving the work, e.g. tenant suite.
- Additional permit fees are not required for an attached deck to a residential dwelling, when the deck is shown on the approved residential building plans.
- For classes of permits not described in this Schedule, a reasonable permit fee shall be determined by the Chief Building Official.
