

# FOX RUN PARK

## Background

### Subdivision Agreement

The Township entered into a subdivision agreement with Mr. S. Lawrence Slater on May 17, 1989. As condition of the subdivision agreement, the Township received Block 55, Plan 795 for parkland dedication purposes.

### Zoning

The property is zoned Open Space under the Township's Zoning By-law.

### Recreation and Parks Master Plan

The Recreation and Parks Master Plan completed by the Township in May 2015 noted the park has extremely limited frontage along Fox Run Drive and Deer View Ridge. No amenities or facilities are available at this park and no signage exists identifying its location. This park largely services as an extended backyard for neighbouring estate residential dwellings, this park may be suitable to naturalize or divest from the Township's responsibilities. *(Page 27 of the Recreation and Parks Master Plan)*

### Council Service Level Review Meeting – June 15, 2016

Council at its meeting held on June 15, 2016 requested staff to contact the residents who back onto the Fox Run Park and inquire of their interests in divesting the property to the landowners.
