

## Protecting Drinking Water in Thunder Bay

*McGuinty Government Approves Province's First Source Protection Plan*  
January 16, 2013 03:30 PM

Ontario has approved the Lakehead Source Protection Plan to make the Thunder Bay area the first place in the province with a comprehensive source-to-tap drinking water protection plan.

The plan was developed by the Lakehead Source Protection Committee and its municipal and community partners.

Under the Clean Water Act, passed in response to the Walkerton tragedy, 19 local source protection committees have been established for watersheds across Ontario. Their common goal is to prevent contamination from entering local sources of drinking water by developing collaborative, watershed-based source protection plans that are locally driven and based in science.

Protecting local drinking water sources is part of the McGuinty government's plan to enhance quality of life for Ontario families and protect the health of Ontarians for future generations.

### QUOTES

"Strong local leadership plays a key role in protecting the drinking water that flows from your taps. I congratulate the Lakehead Source Protection Committee for working with area stakeholders to develop a sound plan that protects drinking water sources."

- Jim Bradley

Minister of the Environment

"I am pleased that the Lakehead Source Protection Plan effectively addresses risks to our drinking water by identifying the potential impact of certain activities on the quality of local drinking water. The Lakehead Source Protection Committee has done a wonderful job of working with its partners to develop a plan that best addresses our drinking water needs."

- Bill Mauro

MPP, Thunder Bay-Atikokan

"Thunder Bay is one step closer to strengthening the protection of its drinking water sources. This latest milestone is the culmination of great partnerships among community partners, agencies and residents and allows us to realize our goal of high quality drinking water for Thunder Bay and Rosslyn Village residents. It is very easy to make decisions for today but much more difficult to make tomorrow's – that is what we have accomplished through this process."

- Bob Hartley

Chair, Lakehead Source Protection Committee

"I'm thrilled that the Thunder Bay area will lead Ontario as the first region to offer a new source-to-tap drinking water protection plan. This plan will certainly enhance the health and quality of life of northern families for generations to come. I would like to thank everyone involved, particularly the Lakehead Source Protection Committee and their local partners."

- Michael Gravelle

Minister of Natural Resources

## QUICK FACTS

- Lake Superior provides drinking water for more than 100,000 people in the Thunder Bay area. Two groundwater wells serve 29 homes in Rosslyn Village.
- When completed, watershed-based source protection plans will protect more than 450 municipal drinking water sources.
- Ontario has provided more than \$200 million for source protection planning since 2004.

## Draft 2013 GRCA budget

The GRCA board is working through the 2013 budget and it will be voted on in February.

The board was presented with a draft in November. It shows a budget of \$28.3 million, compared to an overall budget of \$32.8 million in 2012 and \$33.6 million in 2011.

The base programs budget is expected to increase by 2.5 percent while the capital budget is expected to decrease by 42 per cent.

Overall, the general municipal levy is budgeted to increase three per cent. Special project spending is expected to decrease \$3 million.

Changes to the budget will be reviewed by the board in January. A third draft is scheduled to be presented at the annual general meeting in February. The draft budget is available online by looking at the General Agenda for Nov. 23 on [www.grandriver.ca/MeetingReports](http://www.grandriver.ca/MeetingReports).

## New park fees set

Conservation area fees for 2013 have been set and some are going up, while others are going down.

Adult day use fees will range from \$5.50 to \$6 while the rate for children will be \$2.75 to \$3. There will also be a senior discount on day use fees. A vehicle season pass will now be \$122, instead of \$118.

The projected revenue resulting from the proposed fee changes supports the projected \$6.8 million revenue amount that is in the draft 2013 budget. This represents a 2.9 per cent increase from the 2012 target.

The 2013 pricing recommendations are a result of the business planning process. The fees provide a direct correlation between demand and price. The cost of camping during the week is reduced but camping fees will increase during peak times and on long weekends. Camping fees will be different at different conservation areas. It will also be necessary to reserve for two nights on weekends.

Later this month the new fees will be on [www.grandriver.ca/parks](http://www.grandriver.ca/parks). The camping reservation website [www.grcacamping.ca](http://www.grcacamping.ca) opens March 4 to take reservations for the 2013 season.

The conservation areas open for the summer season on Wednesday, May 1.

## A warm dry year

The year 2012 will be remembered as warm and dry.

Dry conditions prevailed through the winter, spring and early summer. By May, most of the watershed only received 50 to 65 per cent of the long-term average precipitation. The summer was also dry, except in the headwaters near Luther Marsh, which received more rain than usual. While September and October were wet, dry conditions returned for November and December.

Temperatures have been above the long-term average since May of 2011, which is the longest period above average in the last decade.

The warm and dry winter resulted in light snowpack and very little ice cover on the major rivers. The summer and fall were about one degree above the long-term average.

Reservoir levels had been low for many months, but by December they were within the normal operating range.

## Source Protection Plan for public comment to Jan. 16

A plan to protect the sources of water for municipal drinking water systems in the Grand River watershed is available for public comment until Jan. 16.

The proposed Source Protection Plan outlines the policies and programs needed to protect municipal water systems from contamination. It is available online at [www.sourcewater.ca](http://www.sourcewater.ca) and at the head office of the Grand River Conservation Authority, 400 Clyde Rd., Cambridge.

The deadline for comments is Wednesday, Jan. 16. Information on how to submit comments is

available on the website or at the GRCA office. This is the second round of public consultation on the plan. The first round took place from August through October. Some changes have been made in the plan to reflect the comments received.

Comments received during the current consultation will be attached to the plan when it is submitted to the Ministry of Environment for approval in January. The publication of the plan is the result of more than five years of work done under the Clean Water Act. The Act was passed in 2006 in response to the Walkerton tainted water tragedy.

The Source Protection Plan outlines policies and programs to protect the sources of municipal drinking water serving more than 650,000 in the Grand River watershed. There are 45 municipal water systems and one First Nation system. Those systems get their water from about 190 wells, four river intakes and one Lake Erie intake.

The committee worked closely with municipal officials to develop the plans and policies that are included in the plan.

## Maintenance work on Bridgeport Dike

A multi-year maintenance project for the Bridgeport Dike in Kitchener will begin in late January.

The goal is to ensure that the dike will remain strong enough to protect the community from Grand River floods. The project is a joint effort of the GRCA and the City of Kitchener, which own and maintain the dike.

Trees, shrubs and invasive plant species will be removed from the face of the dike and, where needed, replaced with grass. The trail on top of the dike will be closed during the work and signs will be posted to notify users.

Trees pose a threat to the integrity of the dike. The root balls of both healthy and unhealthy trees can weaken the structure of the dike. Removing the trees and shrubs will also make it easier to do annual inspections.

The first phase of the work in late January should take about three weeks to complete. It will involve the section of the dike from the Bridge Street bridge upstream to the end of the dike near Prince Street. The work to be done in 2013 will cost up to about \$50,000 which will be split between the GRCA and

Photo by Chris Wilkinson

Will 2013 bring enough snow for outdoor activities such as dog sledding along the Elora Cataract Rail-Trail? Time will tell. Some conservation areas open for winter activities as conditions allow. Check [www.grandriver.ca/NewsRoom/News.cfm](http://www.grandriver.ca/NewsRoom/News.cfm) for updates.

the Ontario government through its Water and Erosion Control Infrastructure program (WECI). Other sections will be done in future years.

## New name and logo for GRCA tree program

The GRCA's successful tree planting program has a new name and the new logo above.

Now called Trees for the Grand, the program offers all the same services as before. It will continue to partner with local community-based organizations such as Trees for Mapleton, Trees for Woolwich and Wellington Green Legacy. It will also work with funding organizations including Trees Ontario.

Trees for the Grand offers technical and financial assistance to rural landowners throughout the watershed who wish to plant trees. The goal of the program, which started in 1954, is to have 30 per cent forest cover across the watershed.

Three GRCA forestry specialists work

with private landowners to make recommendations on tree planting. They work with many programs to bring information and funding to landowners. The deadline passed Dec. 1 for the GRCA to plant trees on your land, but tree orders may still be placed by March 1 for landowners who would like to do their own planting.

To contact Trees for the Grand call 1-866-900-4722 or e-mail [trees@grandriver.ca](mailto:trees@grandriver.ca) or visit [www.grandriver.ca/trees](http://www.grandriver.ca/trees).

This issue of GRCA Minutes was published in January 2013.

It is a summary of the December 2012 business conducted by the Grand River Conservation Authority board and committees as well as other noteworthy happenings and topics of interest.

The Grand River Conservation Authority welcomes the photocopying, forwarding and distribution of GRCA Minutes.

**Next board meeting:** Jan. 25, 9:30 a.m.

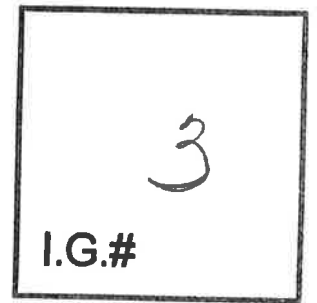

Reports mentioned in the GRCA Minutes are available online at [www.grandriver.ca/MeetingReports](http://www.grandriver.ca/MeetingReports).

For information about coming events, please see [www.grandriver.ca/Calendar](http://www.grandriver.ca/Calendar).

**PUSLINCH RECREATION COMMITTEE**

**AGENDA**

**Tuesday, January 15<sup>th</sup>, 2013**

1. Call the meeting to order.
2. Disclosure of Pecuniary Interest.

7. Adjournment

**TOWNSHIP OF PUSLINCH**  
**RECREATION COMMITTEE MEETING**

MINUTES

Date: Tuesday, December 18<sup>th</sup>, 2012  
Time: 7:00 p.m.

The Eleventh Regular 2012 Recreation Committee meeting was held on the above date and called to order at 7:00 p.m. in the Council Chambers at the Township Office.

**ATTENDANCE:** All members of the Committee were in attendance.

**OTHERS IN ATTENDANCE:**

1. Paul Hohenadel
2. Ken Williams
3. Jerry Schmidt

**DISCLOSURE OF PECUNIARY INTEREST:**

Nil.

**ADOPTION OF THE MINUTES:**

Motion #1: MOVED by Cameron Tuck and SECONDED by June Williams;  
THAT: The Minutes of the Tenth Regular 2012 Recreation Committee Meeting dated November 20<sup>th</sup>, 2012 be and are hereby adopted as presented.  
CARRIED.

**DELEGATION:**

1. Ken Williams and Paul Hohenadel attended the meeting to discuss their proposal for their Family Fun Weekend the Puslinch Optimist Club are organizing for February 16-18, 2013. All funds raised will go to Hurricane Sandy relief efforts. The Saturday and Sunday will cover all the fundraising events. The Monday will be a strictly family participation day. The Optimist Club are requesting a donation of the facility rental fees on the Monday. The balance of the weekend, they would like to request a reduction in rental fees.
  - Cam – suggest a donation of the entire weekend
  - June – agrees with Cam and we should be supported the Optimist Club
  - Tom – agrees with Cam’s suggestion

## **ELEVENTH REGULAR 2012 RECREATION COMMITTEE MEETING**

- Margaret – agrees with donating of weekend
- Ken – total support
- Wayne – total support

There may or may not be room in the Green Shed for a beer garden, the tent would be a back-up. The beer garden would operate during the hockey tournament only. Margaret Hauwert offered to co-ordinate any advertising or promotion that the Optimist Club would like to have done through the school. Chairperson and Committee for each activity for the week-end. Monday is the major family participation day. They would like to move the portable bleachers up to the rink for the hockey tournament. Can they be moved now? Not sure they sure be there for the winter. We do have extra insurance available to purchase.

Send a memo to Council with our recommendation regarding the donation of the facilities.

### **BUSINESS ARISING FROM MINUTES:**

- i) Curbs – we have received a donation of \$250.00 towards the curbs to be purchased in the spring from the Tennis Club.
- ii) Addition – footings are in, waiting for steel (6-8 weeks) for walls
- iii) ORC mats – installed and look good; Richard is satisfied with the mats; a leaf blower could be used for easy clean up.
- iv) Volunteer Hours – Richard should be working the busy weekend hours; Brenda Law is in charge of HR and it is not up to our Committee to assign hours; need to look at how to collect and when to collect; schedule needs to be more defined as to what is allowed on the rink together; this needs to be addressed; recommend to staff on designating times and make sure they are followed; remote needs to be replaced; do we look at times for skating where we charge?; public skate should be free; shinny players should be paying; bringing a stick on the ice – need to decide on age level; charge during prime time hours; Wayne, Tom, Richard and Brenda need to sit down and hash out these issues.
- v) Accessibility Report – we received comments from Brenda; need someone from the County to come and look at our needs.
- vi) Inside Edge – Council was not willing to donate ice time or gym time. Richard Hoover was to contact Sharon and the Optimist Club would consider covering her costs.  
Can we make a recommendation to Council to consider a discount for a seasonal booking at the ball diamonds? Guelph-Eramosa has a breakdown for rentals. Colleen to check out other Municipalities.
- vii) Skatepark – memo was sent back to Ryan Hicks.
- viii) Flooring – Sarmazian and Ferra Flooring came and looked at the floor. Still waiting for some prices. Ferra Flooring thinks we have at least two more sanding/refinishings left in the floor. Tom Jefferson suggested we contact Bigelow Flooring for a price.

## **ELEVENTH REGULAR 2012 RECREATION COMMITTEE MEETING**

- ix) Roof Work – Nedlaw is working on the repairs. Some drywall work needs to be repaired in the cloak room. We need to know how the drainage is going to work and we need to make sure we watch and make sure it is draining properly.
- x) Concept Plan – moving forward on this, Grand River Conservation Authority needs to have as much information as possible.
- xi) Capital Expenditures – some changes were made by Council

### **ACCOUNTS FOR PAYMENT**

- i) MOVED by Tom Jefferson and SECONDED by Margaret Hauwert;  
THAT: We acknowledge payment of the November 2012 statement of general expenses.  
CARRIED.
  - ii) MOVED by Councillor Roth and SECONDED by Tom Jefferson;  
THAT: We acknowledge payment of the November 2012 statement of ORC expenses.  
CARRIED.
  - iii) General ledger report was circulated, showing the amount spent up to the end of November.
  - iv) Community Centre Rental Report for November 2012 was received.
  - v) Optimist Recreation Centre Rental Report for November 2012 was received.
- Everyone is very happy with the way the digital sign is working now.

### **NEW BUSINESS:**

- i) Y-Day Camp – Should be a delegate in January.
- ii) No grants were received.
- iii) Future Direction
  - Wayne Stokley has been contacted by someone from Conestoga College.
  - Cameron Tuck – looked into sandblasting of the light standards at Old Morriston; it was not recommended as each stand would have to be tented for environmental reasons; could move the lights from Aberfoyle to Morriston and replace the ones at Aberfoyle
  - June Williams – can we get an up-date on the ORC lawsuit? Should not really be discussing the lawsuit but we are waiting for an engineer's report at this time.
  - Margaret Hauwert – wonders if Lisa can explain why we are not renting the sign
  - Tom Jefferson- Happy to have finished his first year and feels we have accomplished a lot
  - Ken Roth – We have a good Committee and we have done a lot of work
  - Wayne Stokley – Accomplished a lot of work; Merry Christmas & Happy New Year.

# ELEVENTH REGULAR 2012 RECREATION COMMITTEE MEETING

## **ADJOURNMENT:**

Motion #5: MOVED by Cameron Tuck and SECONDED by June Williams;  
THAT: The Eleventh Regular 2012 Recreation Committee does hereby  
adjourn at 8:50 p.m.  
CARRIED.

**Subject:** meetings

Hello everyone and happy New Year.

I have agreed to assume the responsibility as your secretary until such time you demand that Larry return! In the meantime, please find below the dates for the FOMC meetings for 2013 and early 2014. As agreed, the months we do not meet are set aside for standing committee meetings at the call of the chairs of those committees.

The FOMC meetings for 2013 are Feb 20, Apr 17, June 19, Aug 21, Oct 23 ( the annual general meeting) and Dec 18 (possibly budget review).

The *board* will meet at the call of the chair but at a minimum on Oct 23, to elect officers and Dec 18, if we have a budget, to approve the budget. The budget could be approved Feb 19, 2014.

**Committee Chairs.** If you wish to have a discussion of any report at one of the regular FOMC meetings, please email your report directly to everyone and let me know two weeks in advance if you wish your committee's work to be on the agenda.

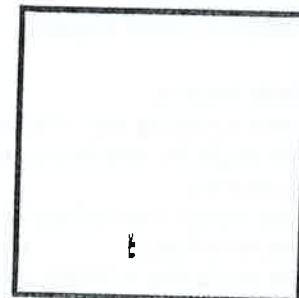

See you all in February.

Doug Auld

**Subject:** Grant request

Hello Brenda;

I was speaking with Wayne Stokley about putting in our request for the \$50,000 grant to the PLCA for the lake restoration. We would be very happy to attend a council meeting to discuss our application in detail if you could let us know when this is possible.

After many years of working on design, permits, and approvals, we are excited about the developments for 2013 and would be happy to update the council

We would like to thank council for its ongoing support of our restoration project.

We wish everyone there a very Merry Christmas and a Happy New Year.

# PUSLINCH KODIAKS

## SENIOR MENS FASTBALL TEAM

### **PUSLINCH KODIAKS QUALIFY FOR 2013 EASTERN CANADIANS**

The 2012 baseball season was a very exciting and successful year for the Puslinch Kodiaks senior Men's fastball team. With our second place finish at the 2012 ORSA Championship Tournament, we earned a berth into the Eastern Canadian Tournament of Champions in 2013 – to be held in Prince Edward Island next September.

Team Roster - 2012

This is a great accomplishment; not only for the members of the team, but also for the Township of Puslinch.

It has been a long journey getting to this point for this group of young athletes. Most of the team members have been playing together for the last 6 years. A select group has been members of Puslinch Minor Baseball since they started playing at age 3. "Close knit" is the term one would use to describe this team.

It wasn't until 2002 that the Kodiaks Journey to greatness began. This was the year of our first ORSA Championship, playing in the Midget Division. The team then went on to win three ORSA championships in the Junior Men's Division and have never looked back.

The Kodiaks currently play in the Inter-County Fastball League. Our recent accomplishments have been; placing 1st during the regular season in 2011, 2nd in 2012, but failing to convert our regular season success into year-end tournament League Champions. Our most notable accomplishment was the second place finish at the ORSA championship Tournament in 2012. The Kodiaks suffered a devastating loss to Fisherville in the final game in 12 innings! An exciting conclusion to the tournament - one that offered many gut check moments for players and spectators alike.

Even in the disappointment of losing a tough game, the silver lining was an entry into the 2013 Eastern Canadian Championships to be played in Prince Edward Island.

## KODIAKS JOURNEY TO PRINCE EDWARD ISLAND

As one can imagine, it is no easy feat sending a team across the country to participate in a National Tournament. Outside of the obvious logistical challenge, the main challenge lies in the costs associated with transportation and accommodations.

We have been fortunate enough to secure a multi-season sponsorship courtesy of Kodiak Group Holdings Co. of Cambridge, ON. The Kodiak brand is synonymous with Canadian Heritage, and maintains its small town connection through charitable work and local support. Kodiak Group has been a fantastic sponsor to date, having helped to offset some of the costs for new uniforms and equipment for the past 2 years. They have confirmed their continued sponsorship for the 2013 season.

While this contribution will be put to good use, we will also be undertaking other fundraising initiatives specifically for our trip to P.E.I. We have already secured a date for our main event - a Community Fundraiser and Dance at the Puslinch Community Center on March 9<sup>th</sup>. We will also be canvassing local businesses for donations or items to be raffled off as prizes at this event. Illustrated below is the current estimated cost breakdown for our trip:

### TRANSPORTATION

Rental Vehicles: 5 x \$400 = **\$2,000.00**

Fuel: 3800km @ (8L/100km) x \$1.35/L = \$410.40 x 5 = **\$2052.00**

### ACCOMODATIONS

Hotel: 10 x \$130 X 5 = **\$6,500.00**

ESTIMATED TOTAL: **\$10,522**

## KODIAKS ROAR FOR SUPPORT

It is now that we are asking Council and the Township of Puslinch to help send us on our way. A pledge of financial support will go a long way in assisting us with the monetary burden of traveling to P.E.I.

We consider ourselves very fortunate to still be able to play fastball in such a great place. Game after game, we arrive to our home diamond - the chalk lines laid, bases always ready, and the grass freshly cut. We are reminded how lucky we are to have access to these facilities, and the ongoing cooperation of the Township and Puslinch Minor Softball. We understand that these are luxuries, and not conditions to be taken for granted. We travel as ambassadors of the Township of Puslinch, and proudly represent a community predicated on fairness, heritage and progress.

We thank you for taking the time to consider our request for support. We would welcome the opportunity to discuss any of the information presented in this letter in further detail in person.

Sincerely,

Kyle McCaig – Captain

Matthew McCaig - Assistant Captain

## MEMORANDUM

TO: Township Council  
FROM: Colleen Sutton  
RE: Y Program Presentation  
DATE: January 15<sup>th</sup>, 2013

---

Linda Killough and Sarah Thomas attended the Recreation Committee last evening and gave a presentation about some summer programs that the Y would be interested in organizing and running in Puslinch this summer.

I have attached a copy of their Power Point Presentation for your information.

The Committee passed the following resolution:

MOTION by June Williams and SECONDED by Jerry Schmidt;  
THAT: The Recreation Committee would recommend to Township Council that we move forward with the proposed summer programs and that Council would support this motion.  
CARRIED.

The two ladies are willing to attend the next Council meeting on January 23<sup>rd</sup>, 2013 at 8:15 p.m. and make a presentation to Council.

*Colleen*

**THE CORPORATION OF THE TOWNSHIP OF PUSLINCH**

**BY-LAW NUMBER 16/13**

**A BY-LAW TO AMEND BY-LAW NUMBER 19/85, AS AMENDED  
BEING THE ZONING BY-LAW OF THE TOWNSHIP OF PUSLINCH**

(To remove the Holding Symbol for part of the Mini Lakes property in Aberfoyle pursuant to Section 34 and Section 36 of *The Planning Act, R.S.O., 1990*, as amended).

**WHEREAS** the County of Wellington Official Plan contains policies relating to the use of Holding Zone provisions pursuant to Section 36 of *The Planning Act, R.S.O., 1990*, as amended;

**AND WHEREAS** the lands affected by this By-law are presently subject to Holding Zone provisions, namely ('h-1') pursuant to the Township of Puslinch Zoning By-law Number 19/85 as amended;

**AND WHEREAS** the subject holding provisions preclude the use of the affected land for year-round residential occupancy until such time as the Holding Zone symbol has been removed;

**AND WHEREAS** the requirements for the removal of the Holding Zone from part of the subject property have been addressed to Council's satisfaction.

**NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF PUSLINCH ENACTS AS FOLLOWS:**

1. THAT By-law 19/85 is amended by removing the Holding Zone symbol ('h-1') from specific parts of the land described as Part of Lot 21, Concession 8, known as the Mini Lakes property, more specifically defined as those sites listed on **Schedule "A"** which forms part of this By-law.
2. THAT all other applicable provisions of Zoning By-law 19/85, as amended, shall continue to apply to the lands affected by this By-law.
3. THAT this By-law shall come into effect on the date of final enactment by Council pursuant to the requirements of the Planning Act, R.S.O., 1990, as amended.

**READ A FIRST, SECOND AND THIRD TIME AND FINALLY PASSED THIS 23<sup>rd</sup> DAY OF JANUARY, 2013.**

**THE CORPORATION OF THE TOWNSHIP OF PUSLINCH**

**EXPLANATORY NOTE**

**BY-LAW NUMBER 16/13**

The purpose of this By-law is to remove the current Holding symbol ('h-1') which applies to part of the subject property which is described as Part of Lot 21, Concession 8 known as the Mini Lakes Country Club owned by the Mini Lakes Residents Association.

The current zoning of the subject land is **Mini Lakes (ML 'h-1') Holding Zone**. The holding zone was established by the Ontario Municipal Board on March 28, 2000 to ensure the orderly conversion of the Mini Lakes property from a seasonal recreational/residential trailer park to a permanent residential adult lifestyle community.

Pursuant to Zoning By-law No. 19/85 as amended, the holding provisions may be removed from the subject land, or part of the subject land, when Council is satisfied that a development agreement between the land owner and the Township has been established and the new sewage treatment and water supply services have been completed. These matters have now been addressed, and the owners are seeking to remove the Holding symbol from 5 dwelling sites within the Park.

Once the 'h-1' symbol has been removed from a dwelling site, it may be used for year round residential occupancy subject to the Township's building standards and the applicable regulations of the Mini Lakes (ML) Zone.

The attached **Appendix 1** is the interim – as built plan of the Mini Lakes property, which highlights those dwelling sites (as listed on Schedule "A") where the Holding symbol is to be removed in accordance with this By-law.

**Schedule "A"**  
**EXPLANATORY NOTE**  
**By-law No. 16/13**

The Holding Zone symbol (**h-1**) shall be removed from sites 017, 024, 251, 258-259-260, 361-362, 363 and 364-366-368.

This is Schedule "A" to By-law No. 16/13  
Passed this 23<sup>rd</sup> day of January, 2013.
