5. PRESENTATIONS

Mary Tivy, Puslinch Heritage Committee Chair

Canada Day at Puslinch Community Centre

Ms. Tivy advised the Committee that she attended the booth at the Puslinch Community Centre during the Canada Day Pancake Breakfast. Ms. Tivy advised that there were a number of individuals who attended at the booth to ask questions and express interest in the various areas of the Township.

Puslinch Heritage Committee

Ms. Tivy provided the Committee with a summary of the roles and responsibilities of the Puslinch Heritage Committee which includes a review of properties that have not met all qualifications for a local plaque, but that are considered by the Heritage Committee to be of cultural merit and recognizes that those sites should also be considered listed and included in the Puslinch Electronic Property Inventory (Prinsys) and their commenting role to Puslinch Council on any zoning change or demolition permits involving those additions.

Ms. Tivy has prepared a poster which indicates the various plaqued and listed properties. The poster is to be stored at the Township Offices for use at public events.

Ministry of Tourism Culture and Sport Workshop

The Committee discussed the workshop which they attended on June 25, 2015. The Committee members expressed that it was an excellent workshop and assisted in clarifying the roles of heritage committees.

The committee expressed a desire to develop an official listing of the heritage properties in the Township. Ms. Tivy advised the Committee that this could be an item on their work plan and that the list would be publicly accessible on a webpage.

The Committee indicated that there was a great deal of information presented at the workshop and that more time was needed for the topic of designation of properties. Ms. Tivy indicated that a request has been made by Heritage Guelph that a further meeting date be set and that they will keep Puslinch apprised on this date.
