4. REGULAR BUSINESS

1. Plans for the storage room at the Community Centre and the replacement of the cupboards in the Alf Hales Room.

Ms. Williams requested from staff an update on the cupboards. Donna Tremblay, Deputy Clerk advised the committee that as the storage room is now complete, the Township will be evaluating the need for additional storage space. The plans for the cupboards are to be discussed at a later date.

2. Community Centre Grounds – Pet Signage

Ms. Williams expressed concern that the baseball diamonds were being used by dog owners who were not picking up after their animals. The committee discussed the current pet signage at the Puslinch Community Centre grounds. Don Creed, Director of Public Works and Parks will look at what signs are currently on display and determine if there is a need for additional signage.

3. Millennium Garden – Future maintenance

Ms. Williams requested an update from staff on the future maintenance of the Millennium Garden. Don Creed, Director of Public Works and Parks advised the committee that staff continue to maintain the garden and if additional help is required in the spring they would be brought in at that time. Mayor Dennis Lever advised the Committee that Matthew Bulmur is working on a new arbor for the entrance to the garden.

4. Proposed plans for the Cenotaph

Ms. Williams requested of staff as to what the plans are with respect to the Centotaph. Chair Fielding, advised the committee that the township had submitted a grant application for the works and the grant has now been approved. The Committee inquired as to what the works were to include. Mayor Dennis Lever, advised the committee on the works that works were tendered and included replacement of the concrete wall and step, landscaping, and electrical work. The committee requested of Staff further information on the project. Donna Tremblay will provide additional information to the Committee at their next meeting.

5. Washroom Addition Update

Ms. Hauwert requested of staff an update on the washroom addition project. Donna Tremblay, Deputy Clerk, provided the committee with a summary on the work that have been completed and the outstanding works.

YMCA Proposal

Ms. Hauwert requested of staff an update on the YMCA Proposal. Donna Tremblay, Deputy Clerk, advised the committee that a proposal was received from the YMCA and staff will be reviewing the proposal.

6. Hardwood Flooring Update

Ms. Hauwert requested of staff an update on the hardwood flooring. Donna Tremblay, Deputy Clerk advised the committee that staff have sought professional services to conduct a test of the moisture content in the concrete pad under the flooring in order to develop specifications for the upcoming tender.

7. Proposed Name Change

Ms. Hauwert requested of staff an update on the proposed name change for the Puslinch Community Centre building. Chair Fielding advised the committee that this is to be included on the community assessment.

8. Proposed 2013/2014 Free Skate Schedule

RECEIVED

December 11, 2013.

DEC 12 2013

Township of Puslinch

Last February on the family day long weekend the Optimist Club held a series of events to raise money for people who had been effected by Hurricane Sandy in New York and New Jersey. We also held a fun filled Family Day celebration for all the residents of Puslinch on the Monday of the long weekend. Both purposes for the weekend were well received and well attended by local residents. Prior to the weekend we asked for council's assistance on the cost of the use of the facilities in the Puslinch Community Park to help us to make the weekend a success.

This year we would like to repeat the Fun filled Family celebration for residents of Puslinch. All activities on Family Day Feb. 17 will be without cost for whoever attends. We are planning a variety of outdoor activities, skating, snow sculpturing, sleigh rides, fire pit and hopefully some new activities provided the weather co operates. We also plan to have live entertainment in the community centre for the kids on Monday morning.

Because this day is at no cost to residents and is focused on getting families to come out to our Community Park to enjoy a day of fun together we ask council's consideration on the costs to use the park facilities for that day. The Rink, Gym, Community Centre, Green Shed, and ball diamond are all required for the day.

Last year we held our first ever 4 on 4 hockey tournament in our rink. Most of the teams were made up of local players with a few teams from Guelph and Milton area. Twelve teams participated enjoying the rink, the fresh outdoor air and the friendly competition. We are working to increase the number of local teams this year by approaching local companies to sponsor employee teams. We would once again like to hold this event on the Saturday and Sunday of the Family day weekend. We also need the use of the Green Shed to run a licensed bar for participants in the tournament. The money raised by holding this tournament will offset our cost for the Monday events for residents. In order to get teams to participate in the tournament we need to keep the cost of entering as low as possible. We would like to ask council's consideration of a reduction in cost of the ice for the tournament. The ice will be required all day Saturday and all day Sunday, Sat 8:00am till 10 pm and Sunday 9:00am till 5:00pm. Optimist Volunteers will work the rink for all three days to reduce staff costs for the township.

We would appreciate Rec Committee and Council's consideration of our requests. We would ask that we are put on the agenda of the next Rec Committee meeting as well as the next Council meeting so we can present our request.

Ken Williams
Optimist Club of Puslinch.
