7. DELEGATIONS

- 1. Mr. Stan Denhoed, Senior Hydrogeologist, Harden Environmental Services Ltd. regarding an update on Wellington Road 32/Pinebush and Townline Road drainage project .

Mr. Denhoed made a presentation to Council which included information regarding the project and the various options presented to the various stakeholders by the Region of Waterloo to eliminate periodic flooding of the intersection at Townline Road and Wellington Road 32. Mr. Denhoed advised Council of the preferred option by the Region of Waterloo and the Township and Puslinch Lake Conservation Association concerns surrounding that option. Mr. Denhoed advised Council of the Township and Puslinch Lake Conservation Association preferred option and the reasoning with respect to this preference.

Resolution No. 2013-347 Moved by Councillor Stokley and
Seconded by Councillor Fielding

That the delegation by Mr. Stan Denhoed, Senior Hydrogeologist, Harden Environmental Services Ltd. regarding an update on Wellington Road 32/Pinebush and Townline Road drainage project.

CARRIED

Council requested that in addition to correspondence to the Region of Waterloo that correspondence be sent to the various stakeholders with respect to the Township's preferred option including, Puslinch Lake Conservation Association, Grand River Conservation Authority, Ministry of Transportation and County of Wellington.

Resolution No. 2013-348 Moved by Councillor Stokley and
Seconded by Councillor Fielding

Whereas the Township was approached by the Regional Municipality of Waterloo in 2010 to obtain the Township's input with regard to engineering solutions to eliminate periodic flooding of the intersection at Townline Road and Wellington Road 32; and

Whereas the Township and the Puslinch Lake Conservation Association have been unable to dissuade the Regional Municipality of Waterloo from including options that result in discharging storm water into the Puslinch Lake basin; and

Whereas Option 6 is the preferred solution by the Regional Municipality of Waterloo which includes discharging water into the basin adjacent to the Lake; and

Whereas the Puslinch Lake Conservation Association is spending significant time and money on improving the quality of the Lake; and

Whereas storm water concerns have been identified in the nearby industrial area; and

Whereas the Township has concerns with additional storm water being diverted into the Lake from this area; and

Whereas a mechanism to prevent additional storm water from being diverted into the Lake should Option 6 be approved should be considered; and

Whereas Option 8 is the Township's preferred option;

Now therefore be it resolved that the Township of Puslinch hereby requests the Regional Municipality of Waterloo to reconsider Option 8 or a portion thereof as requested by the representative of the Ministry of Transportation of Ontario to eliminate any discharge of storm water into Puslinch Lake.
