Subject: Second unit policy review

Kelly,

This email is in response to the resolution passed by the Puslinch Planning & Development Advisory Committee, seeking clarification on the timing of the second unit policy review. We wish to advise the Committee that planning Staff will be looking to take a report to Wellington County Planning Committee in September regarding Second units. The report will provide background information on the subject and identify the nature of changes that will be required to the County Official Plan. We hope to be in a position to circulate an amendment for agency review and comment in late Fall.

Please contact me if you have any further questions.

Regards,

Jameson
