Dear Mayor and Council Members,

Thank you for your support in the past to Wellington County Farm and Home Safety Association.

Wellington County Farm and Home Safety has been continuing this year creating an awareness of safe farming. We have a great board of dedicated members and volunteers working together for a total of 290 volunteer hours on Safety Days, Fairs, Meetings and Farm Shows. This year we spoke to 1118 people on the values of Farm and Home Safety.

This year, Wellington Farm Safety is increasing activity because of two local deaths on farms. Our Farm Safety Day is April 19th on the 6th line in Mapleton. Mount Forest Parochial School will have us in the summer and we will be purchasing more advertising material for display at events.

Many townships have provided a volunteer for our board. This resource has been most helpful and we thank-you. We would like a representative from your township and are requesting your participation.

Please consider our request for financial assistance of \$500.00.

Please find enclosed a copy of activities for 2013.

Thank you in advance for your support in this matter.

Yours Truly,

Walter Grose
Secretary

Wellington County Farm and Home Safety Association
