## Liquor Application

---

Mark Sohm <mark@sohm.com>  
To: chef@thedirtyapron.ca

Sat, Sep 26, 2015 at 10:56 AM

Hi Stephen,

I'm Mark Sohm and live across the road from the former Taste building. I'm writing to say I appreciate the letter you dropped off explaining your plan. It sounds like a great idea to me and I fully approve of your request for a liquor license. I think it would be great to have a restaurant within walking distance. Feel free to share this message with AGCO in support of your application.

Mark

Hi Stephen:

I am writing you to express my wholehearted support for your proposed Bistro. I have been a resident on Carter Rd for 47 years. The location was a general store when I first moved here, it has gone through several iterations since. One of those was a restaurant which I frequently visited for breakfast on the weekends, when it closed I was very disappointed. The plan you outlined in your flyer sounds perfect to me and I hope you are successful in your plans.

Lawrence T. Porter (Larry)

163 Carter Rd, RR2 Guelph

Hi Stephen,

I wish you all the best in getting started, and opening your restaurant. A small, community based establishment would be a welcome addition to this great, out of the way community.

Please let me know if there is anything further I can do to help.

Your neighbor,

Michele Van Ryn

Feel free to use my name in support of getting a liquor license. It would be nice to get some food and a drink within walking distance of my home. We have far too much red tape and restrictions in Canada when it comes to selling alcohol especially when you consider alcohol can be sold out of a hotdog/sausage stand in many European countries.

Marjorie Clark <[REDACTED]>  
To: chef@thedirtyapron.ca

Fri, Sep 25, 2015 at 6:29 PM

Dear Chef Stephen Goyda:

We are in receipt of your letter here on Watson Road, south of County Rd. 34 and we are pleased that a restaurant is opening in Arkell. When there was one in the old Arkell Store previously, I often met my women friends for lunch there. We were sad to see it become a catering business only. So, you are very welcome.

I have an e-mail group of about 160, called the "Friends of Puslinch History". These people are all interested in or researching some family or facet of Puslinch Township history or genealogy. Some are local and some may visit, in which case, they will find a place to eat locally. I will scan and copy your letter to my group.

One thing only: I suppose it is probably not possible to change the name to "The Spotless Apron" or some such, at this point, Chef Stephen, as the image conjured up by a dirty apron causes a queasiness on my part, not conducive to desiring a bite?

Sincerely,

Clark

Marjorie

Hello Stephen,

I received your letter in the mail and am very excited to see the revitalization of the Arkell Store. I live on Farnham Rd, in the house my grandparents built and raised their family in. When I asked my dad about memories of the store, they were all fond and joyful. He was excited to hear of it reopening, especially with a small restaurant/bistro incorporated. Now that I am raising a family in Arkell myself, I look forward to being able to take a walk down to the store and buy local food that I know is healthier for my family and supporting local business. I also look forward to quiet dinners alone with my husband and not being too far from home in case of an emergency with our children. Or hosting a Christmas party for my husbands company. Can't wait until the doors open. You have our full support in the coming future.

Best wishes,  
Ami deVries

Mon, Sep 28, 2015 at 7:57 PM

To Whom it may concern:

I writing to give a referral for Stephen Goyda and his application for a liquor license in Arkell, Ontario. I have been a resident of Arkell and area since 2002. I know Stephen, his wife, and his wife's family. I played live music for Stephen's wedding, and at his last place of employment, Deer Ridge Golf Club in Kitchener, On. I have known Stephen to be a hard working and conscientious individual with strong family ties. The location that he is asking to be licensed has been in his wife's family for many years, and in fact was once operated by his wife's grandfather.

I have no doubt that Mr. Goyda will bring a first rate establishment to Arkell, and that having a liquor license in place will only add to the atmosphere and class facility that he is building there.

Please feel free to contact the writer for any further information you may require. Thank you

Rob Dice

Tue, Sep 29, 2015 at 9:53 AM

dear Stephen,

I live just south of your new venture along Watson Road South towards hwy. # 401. My family have studied your described new business plan and wish to throw our support behind it. It is exactly the sort of thing that this community in the Arkell vicinity can use to gather together here at the local level, as opposed to having to travel into Guelph, Morriston or Milton for similar opportunities to enjoy good food accompanied by a glass of beer or wine if so desired.

We wish you the best of fortune and smooth process with the retro-fit of the facility and look forward to your grand-opening.

best regards - Mark, Deb & Liam Abbott, 4652 Watson Road South, Puslinch N0B 2J0

Cc: "chef@thedirtyapron.ca" <chef@thedirtyapron.ca>, "Liz McNeice (lizmcneice@gmail.com)" <lizmcneice@gmail.com>

Application Number 2777178

File Number 809092

To whom it may concern,

I am a resident of Puslinch, Ontario and I am aware that an application for a liquor license has been submitted by The Dirty Apron Ltd. for a yet to be opened establishment in the Puslinch community of Arkell.

As long-time residents of Puslinch and a neighbour to The Dirty Apron my wife and I are looking forward to once again having an establishment operating in Arkell that can not only provide us with a dining out experience, but also allow us to enjoy a glass of wine or beer if we chose to indulge. The closest option to this we have today is to leave Puslinch and drive into the City of Guelph.

There was a hole left in the community when the last tenant vacated this location and we are thrilled that Stephen Goyda and his family have made the commitment to invest in their community. We can't wait for our first meal and glass of wine at The Dirty Apron!!

Regards,

**Bill & Liz McNeice**

Re: AGCO App. # 2777178 file # 809092

To Whom It May Concern

This letter is being written in support of "The Dirty Apron Ltd." liquor license application as referenced above.

We were recently approached by community members and given misinformation and very biased opinions on the proposed venture, mainly numbers of allowed patrons.

An open meeting was hosted by the business principles of The Dirty Apron to address and respond to community concerns on the evening of September 28th. My wife and I both attended and came away with a very real and clear understanding of Mr. Goyda's business operations plan.

It was quite evident that a few community members had earnest concerns and in our view they were all addressed very reasonably, and quite to our satisfaction. A small number of locals kept reiterating bogus issues totally unrelated, for example;

- recent history of 2 local motor vehicle collisions destroying 3 hydro poles (relevancy ?? )
- the unfounded expectation of a sudden increase DUI charges ??
- the unfounded expectation that children riding bicycles would be in extreme danger ??
- hosting of huge parties involving public intoxication and noise ??
- bikers would turn the establishment into a hangout ??
- comparing this new establishment, (if granted a lic.), to the ongoing issues caused by university students in downtown Guelph ??

We certainly appreciate the concerns of the adjoining neighbor property owners, but the concerns I heard mainly fell under parking, septic, water supply their concerns need to be addressed through local bylaws and regulations relative to the operations of any neighbor in this case a small business.

Mr. Goyda displayed a earnest and sincere effort to address and ask for a level of trust in his venture, he remained very respectful even though there was a couple of very self centered and self driven individuals expressing nonsense views as the result of licensing.

Again, the letter writers lend full support to The Dirty Apron Ltd. in their AGCO license application, and wishing them success.

Sincerely.

---

To: licensing@agco.ca  
Cc: chef@thedirtyapron.ca

Tue, Sep 29, 2015 at 7:15 PM

We are in favour of The Dirty Apron Ltd. application for a liquor sales license for a small market/bistro.

Having a local bistro to enjoy a lunch or dinner or pick up something to take home in the original "Arnell Store" would be a great addition to this community.

We have patronized previous food service businesses in that location and found it disappointing not to be able to have a glass of wine or beer with our meals.

Previous businesses have stayed at that location and we were disappointed to see them go. It would be challenging to compete with similar "city" businesses that are able to offer beer and wine beverages for similar services. A bistro without alcohol served is a diner.

We wish Stephen Goyda success in this endeavour.

Lori and Gregg Allan

## Arkell restaurant and market.

---

**gill** [REDACTED]  
To: "chef@thedirtyapron.ca" <chef@thedirtyapron.ca>

Wed, Sep 30, 2015 at 5:56 PM

Hi. Sorry I could only attend the open night for an hour or so but from what I heard from all parties during that hour, I'd like to give my opinion on your venture.  
I would like to wish you the very best, I think it's a wonderful idea and offers a niche for good things to come. My thoughts as a resident of Arkell along with my family are as follows. We have a venue of quality we would love to support on occasion for our social time, market fresh items and a place to spend money in our own village supporting a fellow resident. A meeting place to invite friends for a quiet dinner.  
There have been many uses of the space there in the past that have had a variety of clientele and menus. They were not you or your venture.  
From the questions offered, answered and debated upon, most of it was maybe. The facts are. You are applying for a liquor licence to serve alcohol during a meal, to enhance the dining experience. Just like all the other restaurants do. Probably  
Most of the residents there Monday night attend such places when they socialize.  
So what's the difference in our own village.  
I can see none.  
If the zoning allows. all proper permits approved and all bylaws respected.  
Tell me when we can book our family get together ages ranging from 5 to 65 for a wonderful meal. A table for seventeen please.

With kindest regards.  
Gill Mullis.

## Local Produce Opportunity

---

Danie McAren <[REDACTED]>  
To: chef@thedirtyapron.ca

Fri, Sep 25, 2015 at 8:56 AM

Good Morning Stephen,

We just received your letter about the opening of your new business. My husband and I moved to the area from Vancouver a few years ago and have been so sad to find no real community hub close by. We are very excited to see that is about to change! We actually moved here with our three young kids so that I could study agriculture at the University of Guelph. We are just starting the process of severing a lot from my uncle's land on Carter Rd. to start a small scale organic farm. I would love to talk to you about your plans with the bistro and in selling local food as I believe this could be an excellent opportunity for the both of us to collaborate in serving our community. We currently grow enough produce for ourselves and several of our neighbours on just a 40x50' garden plot and one hoop house for tomatoes. I am so excited with what we can do on several acres. I have spent the last couple of seasons working for the Guelph Centre for Urban Organic Farming (part of the university), both farming and managing produce orders for Cutten Fields, a small catering company, and several local specialty grocers.

If you have time in the next few weeks I would love to grab a coffee together and chat about when you plan to be up and running and what you are looking for menu wise. I will be planning seed purchases for next year for our home production as well as through the GCOUF so if there are any special items you were hoping to have, we could discuss making that happen.

I look forward to hearing from you - and best of luck as things progress! I am also happy to write to the AGCO in support of your license. Again we are really looking forward to a new local spot.

At the best,  
Danie McAren  
211 Carter Rd.

To whom it may concern,

I am writing this email to let you know that my husband and I are 100% in support of Stephen Goyda opening up the Dirty Apron in our community.

I think this is a fabulous addition to our neighborhood and we intend to take full advantage of the small market and bistro. Having a place for the community to come together to talk over the events of the week or just get to know neighbors that we would otherwise just nod at is great idea. What a nice idea to have a place down the street to hold a get together for a special occasion or enjoy a cooking class.

Kudos to this young man!

I **do not** feel having the liquor license will have any kind of negative impact on our community. I am no more concerned about people having a drink there as I would be of people having a drink in their own back yards.

Regards,
