Subject: Bailey Bridge

We are writing to confirm our opposition to turning Bailey Bridge into a 2 lane Bridge. Our family of 4 have Lived on Whitelaw Rd for 12 years. Traffic is now at a point that it is dangerous to walk with a stroller or ride a bike at anytime of day. This rd. has become a major shortcut for hundreds. What will happen when bridge Is 2 lanes?

Please vote no to 2 lane bridge. Commuters have easy access to the Hanlon. Let them use it!!

Sincerely,

Pat & Gus Restivo,

Guelph
