

REPORT FIN-2020-022

TO: Mayor and Members of Council

FROM: Mary Hasan, Director of Finance/Treasurer

MEETING DATE: June 3, 2020

SUBJECT: 2019 Development Charges

File No. F20 DEV

RECOMMENDATIONS

THAT Report FIN-2020-022 regarding the 2019 Development Charges be received; and

THAT Council accepts the Treasurer's declaration that the Township is in compliance with section 59.1(1) of the Development Charges Act, 1997.

DISCUSSION

Purpose

The purpose of this report is to provide Council with information on the Township's Development Charges and related transactions as of December 31, 2019.

Background

Pursuant to Section 43(2) of the Development Charges Act (DCA), the Treasurer for the Township shall present a financial statement to Council regarding the development charge restricted reserves. The Treasurer's statement is to outline the following:

- Statements of the opening and closing balances of the reserve funds and of transactions relating to the funds;
- Statements identifying,
 - i. All assets whose capital costs were funded under a development charge by-law during the year,
 - ii. For each asset mentioned in (i) above, the manner in which any capital cost not funded under the by-law was or will be funded;

- A statement as to compliance with subsection 59.1 (1); and
- Any other information that is prescribed

Section 59.1 (1) of the DCA specifically prohibits municipalities from imposing additional payments on developers or requiring construction of a service unless specifically authorized under the DCA or another Act. This provision does not affect a municipality's right to include conditions for installation or payment for local services but is intended to close the door on other "voluntary" payments that may have been sought by municipalities outside the legislative framework. The importance that the province places on this section is reinforced by (a) requiring that the Treasurer's report include a statement confirming that the municipality is in compliance with Section 59.1(1) and (b) granting extensive investigative powers to the Ministry of Municipal Affairs and Housing to investigate whether a municipality is in compliance.

The Township does not require any "voluntary" payments from developers and the Treasurer confirms that, for 2019 development charges reporting, the Township is in compliance with Section 59.1 (1) of the DCA.

In the past, a municipality was required to file the Treasurer's report with the Minister within 60 days of the presentation of the report to Council. In accordance with Section 43 of the DCA, this requirement has been removed and replaced by a requirement that Council shall ensure that the statement is available to the public and that the Treasurer shall give a copy of the statement to the Ministry of Municipal Affairs and Housing upon request. Therefore, Report FIN-2020-022 and its related attachments will be posted on the Township's website.
