What Parking By-Law amendments affect Aberfoyle School?

Safety concerns regarding parking at Aberfoyle Public School prompted certain amendments to the Township Parking By-Law. The following chart outlines the no stopping zones. Do not stop in a NO STOPPING zone for any reason. These are areas where a stopped vehicle could obstruct the visibility of other drivers and pedestrians and increase the likelihood of a collision.

Parking Alternatives for Parents

The Township recently worked with the School Board on the installation of the Old Brock Rd sidewalks. Parents are encouraged to park at the Puslinch Community Centre and walk their children to the school property.

Why take a chance?

The real penalty for not obeying school zone traffic regulations is that you may jeopardize the safety of children and other people using the road. As a motorist, it is important that you respect the traffic control regulations and safety practices to keep our roads safe especially around schools.

When will the new amendments take effect?

The new Parking By-Law signage will be installed by the end of March 2021 weather dependent.
