TOWNSHIP OF PUSLINCH LAUNCHES COMMUNITY ENGAGEMENT SURVEY FOR THE TOWNSHIP'S 2022 PROPOSED BUDGET

PUSLINCH – The Township is excited to launch a community engagement survey on www.EngagePuslinch.ca to gain citizen feedback on the Township's 2022 Proposed Budget.

The budget is a strategic document that prioritizes the Township's services and programs. Your feedback is important in setting priorities and guiding the vision and growth of the Township.

Have you ever wondered how your residential tax dollar is spent? Check out the image below to see how your residential tax dollar is split between the County of Wellington, the Township and School Boards (based on the approved 2021 budget). It is important to understand how your tax dollars are split when prioritizing Township services and programs.

The Township values citizen feedback and wants to encourage the public to share their thoughts on important annual projects such as reviewing Township Budgets.

“I encourage Puslinch residents to join the local conversation regarding the Township's 2022 proposed budget. The comments and suggestions the Township receives through Engage Puslinch are important for Council to consider when setting the annual budget for the upcoming year.” Mayor James Seeley.

The survey will be active on the Township's community engagement platform, www.EngagePuslinch.ca from October 26th to January 26, 2022.

A Public Information Meeting will also take place on January 19, 2022 at 7:00 p.m. to receive public comments regarding the Township's proposed 2022 Budget.
