

## The Township of Puslinch Heritage Register of Listed Properties

We recognize that when the first Euro-Canadian settlers arrived in what is now Puslinch Township, the Anishinaabe ancestors of the Mississaugas of the Credit First Nation had long established hunt camps in the area. Through written and verbal accounts we understand that the Anishinaabe interacted with the settlers in a friendly and cooperative manner. It is acknowledged that the development of the Township encroached upon their traditional way of life resulting in their displacement.
