REPORT HER-2022-012

TO: Heritage Committee

FROM: Justine Brotherston, Communications and Committee Coordinator

MEETING DATE: May 13, 2022

SUBJECT: Revision to Heritage Registry regarding Description of 4347 Concession 11

RECOMMENDATIONS

That staff report HER-2022-012 regarding the Revision to Heritage Registry regarding Description of 4347 Concession 11 be received for information; and further,

Option 1:

That the Heritage Register Sub-committee review the information regarding 4347 and bring recommendation regarding the Heritage Register description of 4347 Concession to the July 4, 2022 Heritage Committee Meeting.

Option 2:

That the Heritage Committee recommends to Council that the Heritage Register be updated to change the description of 4347 Concession 11 from “James McLaren House” to “Peter McLaren House” or “McLaren House”

Purpose

The purpose of this report is to provide the Heritage Committee with a request to update information currently included on the Heritage Registry for 4347 Concession 11.

Background

At the December 15, 2021 Regular Council meeting Council adopted the Puslinch Heritage Registry. On January 14, 2022 the current owner of 4347 Concession 11 received notification from the Township that their property was included on the Township’s Heritage Registry with non-designated status. In response to this letter on January 18, 2022 the current owner of 4347 Concession 11 contacted a Committee Member regarding the description of their property on

the Heritage Registry, regarding research that he had conducted on the history of the property. Based on the current owner's research the current owner feels that a more appropriate description for the property would be the: "Peter McLaren House" or simply the "McLaren House".

Financial Implications

There is no financial implication for the purposed staff recommendation.

[REDACTED] we have spoken before regarding property on Concession 11. I sent the slightly edited message below to [REDACTED] yesterday. She suggested you might be better suited to offer advice.

I have recently received notice from Puslinch Township that my house at 4347 Concession 11 which I have always known as Stonefield, is to be included, non-designated, in the Puslinch Heritage Register as "James McLaren House". I believe this naming flows from the LACAC description of this property in the 2000 Millenium Celebration project which advised,
"James McLaren and his wife Margaret Stewart moved to this area in the early 1860's".

Based on my research, this understanding of James McLaren is not correct. For brevity:

James McLaren was born in Puslinch, on this property, c. February 1835, the son and seventh child of Peter McLaren and Catherine McNaughton. Peter was born in Killin, Perthshire c. December 1788. Peter and Catherine were married in nearby Weem on July 25 1819. Their first 5 children were born in Scotland. They came to Canada as a family, I suspect probably in 1833. Their first child born in Canada was Catherine c. 1833. Catherine married Robert Lamb in Duff's church in 1861, a well-known and respected stone mason living in Nassagaweya (but whose family also owned Lot 12 Concession 11 in Puslinch).

On April 1 1834 Peter McLaren entered into an agreement to buy the Clergy Reserve land known as the 100-acre rear half of Lot 25 of Concession 10 (facing Concession 11) Certificate No. 1575, and Lots 25 and 26 of Concession 11 (being approximately 24 and 45 acres respectively, also facing Concession 11) Certificate No. 1576. Peter took out a 10-year mortgage to purchase these properties and paid them off accordingly. He was granted a Crown Patent registering his ownership of this property, Lots 25 and 26 of Concession 11, on August 28 1846.

James had lived with his father Peter on Concession 11 in Puslinch since his birth, in a log house, and married Margaret Stewart in Duff's church in 1861. I suspect Peter had this stone house built probably starting in 1862 or 1863, and probably by Robert Lamb his son-in-law, who had recently completed the stone Presbyterian church on 15 side road in Nassagaweya (cornerstone 1861). James and Margaret subsequently lived with Peter in this stone house and raised their children here. Peter lived in this stone house until he died on May 13 1875. His will was probated on July 15 1875 and bequeathed his real and personal estate to his sons James and Peter (born March 4 1838 in Puslinch), amongst other things. James inherited this stone house from his father. James sold it in December 1881 and moved to Drumbo.

Based on the above, I do not believe this house should be called the "James McLaren House". If it is to be named after a single person, I believe it should be called the "Peter McLaren House". More appropriately however, if it is to be named after any family, I believe it could simply be called "McLaren House".

[REDACTED], can you offer me any advice on how my concerns can best be addressed.
Respectfully,

[REDACTED]
