

## Applicable Law Checklist

### **CONSERVATION AUTHORITIES**

To determine which Conservation Authority regulates your area please refer to the [Regulation Map](#)

#### **GRAND RIVER CONSERVATION AUTHORITY**

Use the Map Your Property tool to determine if all or part of your property is regulated by GRCA: [GRCA Web-Map](#)

- If so, please reach out to Chris Lorenz:  
[clorenz@grandriver.ca](mailto:clorenz@grandriver.ca) or (519) 621-2763 ext. 2236
- NOTE: some work may be exempt, please refer to the GRCA's online policy documents for more information: [GRCA Planning Policy](#)

#### **HAMILTON CONSERVATION AUTHORITY**

Use the Regulated Area Map Tool to see if all or part of your property is regulated by HRCA: [HRCA Regulated Areas Online Tool](#)

- If so, please reach out to Elizabeth Reimer:  
[ereimer@conservationhamilton.ca](mailto:ereimer@conservationhamilton.ca) or (905) 525-2181 ext. 165

#### **CONSERVATION HALTON**

Use the Planning & Permits Map to see if all or part of your property is regulated by CH: [Planning and Permits Map Tool](#)

- If so, please reach out to Charles Priddle:  
[cpriddle@hrca.on.ca](mailto:cpriddle@hrca.on.ca) or (905) 336-1158 ext. 2276
- NOTE: no works are exempt by Conservation Halton

### **OTHER AUTHORITIES**

#### **MTO**

Use the online mapping tool to see if your property is within the MTO Controlled Areas: [View MTO Controlled Areas](#)

- If so, please complete the following online form: [Submit General Inquiry](#)

## **SOURCE WATER PROTECTION**

Use the online mapping tool to see if your property is within a Source Water Protection area:

[Source Water Protection Map](#)

If so, please complete a Source Water Protection Screening Form as it applies to your entire property (not only the proposed work) and include the completed form with your building permit application: [Source Water Protection Screening Application](#)
