TO: Mayor and Members of Council

PREPARED BY: Mirela Oltean, Deputy Treasurer

PRESENTED BY: Mary Hasan, Director of Finance/Treasurer

MEETING DATE: October 19, 2022

SUBJECT: Municipal Performance Measurement Program Report for 2021
File No. F00 MUN

RECOMMENDATIONS

THAT Report FIN-2022-030 regarding the Municipal Performance Measurement Program Report for 2021 be received.

DISCUSSION

Purpose

The purpose of this report is to provide Council with information regarding the Municipal Performance Measurement Program Report (MPMP) for 2021 and to publish the MPMP report on the Township website.

Background

Section 299 of the Municipal Act, 2001 specifies that a municipality must provide the Ministry of Municipal Affairs and Housing (MMAH) with information measuring the efficiency and effectiveness of a municipality's operations and that this information shall be published in a manner and form determined by the municipality.

The reporting is commonly referred to as the MPMP report and is based on the Financial Information Return (FIR) that municipalities must also prepare annually.

The MMAH provides extensive FIR schedules for municipalities to complete each year. MMAH generally updates the schedules annually to streamline the data collection process or to reflect

changes in Provincial information gathering requirements, trends, and other factors to help the Province better understand and obtain an overview of the finances of all Ontario municipalities. The Township's financial statements are based on the FIR. The MPMP is based on statistical information collected on specific schedules in the FIR.

Schedule A attached to this report includes the statistical measures reported for 2019 to 2021 and is based on the Provincial data requirements for the FIR as part of Schedule 80D of the FIR. These measures form the MPMP, a performance measurement and reporting system that promotes local government transparency and accountability.

The information for the 2021 fiscal year has also been sent to the MMAH as part of the annual FIR submission.

Financial Implications

Discussed throughout this Report.
