Enbridge Gas Assists Puslinch Fire & Rescue in Supporting Firefighter Training

Puslinch, ON, January 18, 2023 – Enbridge Gas Inc. (Enbridge Gas) is helping Puslinch Fire & Rescue purchase firefighting training materials, through Safe Community Project Assist—a program with the Fire Marshal's Public Fire Safety Council (FMPFSC) that supplements existing training for Ontario volunteer and composite fire departments in the communities where Enbridge Gas operates.

“At Enbridge Gas, safety is our priority. We're proud to support Ontario firefighters who share our commitment to keeping our communities safe, healthy and vibrant,” says Ken Sleeper, Supervisor Operations, Southeast Region - Cambridge/Guelph, Enbridge Gas.

This year's \$250,000 donation from Enbridge Gas will be shared by 50 Ontario fire departments, including Puslinch Fire & Rescue. Funds are used to purchase educational materials to assist in training firefighters in life-saving techniques.

Since the launch of Safe Community Project Assist in 2012, 294 grants have been provided to Ontario fire departments for additional firefighter training.

“Safe Community Project Assist improves access to training materials for fire departments,” says Jon Pegg, Ontario Fire Marshal and Chair of the FMPFSC. “Firefighting can be dangerous and unpredictable, and these training materials positively contribute to the health and safety of firefighters and the broader community.”

“Puslinch Fire & Rescue would like to take this opportunity to thank Enbridge Gas and the Fire Marshal's Public Fire Safety Council for their generous donation through Safe Community Project Assist. The donation will allow Puslinch Fire & Rescue to purchase training materials that will assist with training that will continue to keep the Township of Puslinch a safe place to live and visit,” says Fire Chief Tom Mulvey.
