Schedule "A" – Township's Heritage Register

The Township of Puslinch Municipal Heritage Register

We recognize that when the first Euro-Canadian settlers arrived in what is now Puslinch Township, the Anishinaabe ancestors of the Mississaugas of the Credit First Nation had long established hunt camps in the area. Through written and verbal accounts we understand that the Anishinaabe interacted with the settlers in a friendly and cooperative manner. It is acknowledged that the development of the Township encroached upon their traditional way of life resulting in their displacement.

Background

Council at its meeting on July 10, 2024 received a written delegation by Marjorie Clark regarding the Killean School Bell which requested the Killean School Bell be included as the centerpiece of a commemorative cairn in honour of the Township of Puslinch's 175th anniversary in 2025.

At the September 9, 2024 Heritage Advisory Committee meeting, the Committee discussed the aforementioned topic and resolved as follows:

Resolution No. 2024-043:

Moved by Lily Klammer-Tsuji and
Seconded by Cheryl McLean

That Consent Agenda item 7.6 listed for the September 9, 2024 Heritage Advisory Committee meeting be received for information; and,

That the Committee recommend that the Killean Bell be used as a centerpiece of a commemorative cairn located at the Puslinch Community Centre Grounds; and,

CARRIED

Council at its October 23, 2024 Council meeting, considered the Killean School Bell Cairn as part of the 2025 Proposed Capital Budget referred the design options of the cairn for the Killean School Bell to the Heritage Advisory Committee for comment.

Comment

There are two options for the Committee's consideration and comment:

Option 1:

Option 1 would be designed similar to the cairn at the Morriston Corner Block in Puslinch. This option would include:

- A cairn design similar to the one in Morriston, the difference will be that this one will have cleaner lines
- The cairn will be built using natural field stone
- Construction of a stone cairn 4' wide X 6' long X 8' high. It will be widest at the base and taper into the arch
- The arch over the bell will be 18" thick X 2.5' wide
- Includes a 3' X 3.5' space for the bell to sit in (this size is approximate and will be adjusted to fit the size of the bell)
- The cairn will sit on a 4' wide X 6' long X 6" high cement base

The quote for option 1 is: \$17,750

Options 2:

Option 2 would have a similar base to options one, but would not include the arch around the school bell. This option would include:

- Construction of a stone cairn 3'8" wide X 5'8" long X 4' high
- The cairn will sit on a 4' wide X 6' long X 6" high cement base
- The cairn will be built using natural field stone
- The bell will sit on a 3-4" solid stone cap that is 4' wide X 6' long

The quote for option 2 is: \$9,950

Financial Implications

In addition to the financial implications listed in the report the plaque for inclusion on the Cairn is quotes at approximately \$2,800. The entire project is proposed to be funded from the Township's Cash in Lieu of Parkland Reserve in the 2025 Capital Budget.
