

We recognize that when the first Euro-Canadian settlers arrived in what is now Puslinch Township, the Anishinaabe ancestors of the Mississaugas of the Credit First Nation had long established hunt camps in the area. Through written and verbal accounts we understand that the Anishinaabe interacted with the settlers in a friendly and cooperative manner. It is acknowledged that the development of the Township encroached upon their traditional way of life resulting in their displacement

Revised: Open House Located at Puslinch Community Centre (23 Brock Rd S)

April 4, 2024

Dear Property Owner,

Township of Puslinch Council is seeking to preserve and protect built heritage within the community. There are many tools available to do so, the most valuable being a heritage designation under the *Ontario Heritage Act*.

This notice is to inform you that Township staff will be holding a Heritage Designation Open House on April 11th from 7:00 p.m. to 9:00 p.m. at the **Puslinch Community Centre (23 Brock Rd S)**. This Open House is for residents who are interested in learning more about the heritage designation process. At this Open House, property owners will be able provide feedback regarding the draft Statements of Cultural Heritage Value or Interest for their property (enclosed in this letter).

For those unable to attend the Open House, a recording of the presentation will be made available online through the Township's website. The Township has also developed a webpage with additional information regarding the heritage designation process which can be viewed at Puslinch.ca/HeritageDesignation.

I look forward to having the opportunity to become familiar with your heritage building.

Sincerely,

Heritage Committee Secretary
Township of Puslinch
