**STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST AND DESCRIPTION OF  
HERITAGE ATTRIBUTES**

The property located at 80 Queen Street, Morrison, holds significant cultural heritage value due to its association with the Morlock family which was one of the three founding families of Morrison. This value is retained in the 1910 Queen Anne red brick residence on the property that is adjacent to three other Morlock residences. The property is in close proximity to the residences of the other founding families of Morrison, presenting a streetscape of the late 19<sup>th</sup> and early 20<sup>th</sup> century. The property meets the requirements for designation prescribed by the Province of Ontario under the three categories of design/physical value, historical/associative value, and contextual value. The property is listed on the Township of Puslinch Municipal Heritage Register and has received a plaque from the Township's Heritage Committee for its cultural heritage value.

*Design Value:*

The property features a representative example of a 1910 two-and-a-half-storey late Queen Anne style residence in red brick laid in stretcher bond. The exterior elements of the Queen Anne Revival architecture are prominent, featuring a steeply pitched hipped roof with projecting side and front bay windows, a double-hung wood veranda with decorative "C" brackets, a stained glass window at the entrance, and wood spandrels with finials at the corners of the bay projections. The first floor of each bay projection features a central Romanesque window, while the windows in these bays feature brick segmental arches with a contrasting top row of dark brick dentils. The main door and transom appear to be original, while some of the wood members, especially the balustrade of the double hung porch may be replacements.

*Historical/Associative Value:*

The property, located at Part Lot 32, Rear Concession 7, was originally settled by the Morlock family, who immigrated from Germany in the 1830s. Together with the Calfas and Winers, the Morlocks are considered the three founding families of the village of Morrison. In 1909, John Christian Morlock, who built the Victorian villa at 84 Queen Street, built this house upon his retirement from farming. Notably, John Christian's brother, Peter Morlock, was responsible for constructing the neighbouring house at 82 Queen St., a beautiful yellow brick house completed in 1910.

*Contextual Value:*

80 Queen Street forms part of a streetscape of four adjacent Morlock family built homes built between 1854 and 1910 on the original lot settled by John Christian Morlock. This extant built heritage family streetscape is unique to the Township. It is positioned between Lots 31 and 33 of the other two founding families. The intact Paul Winer family homestead is to the south on Lot 33 and the remains of the Johannes Calfas family homestead are to the north on Lot 31.
