

The Township of Puslinch Inventory of Plaqued Sites

The lands we know today as the Township of Puslinch have been home to Indigenous peoples since time immemorial. We acknowledge that we are on the traditional territory of the Hattiwendaronk, as well as the treaty lands and traditional territory of the Anishinaabe and Haudenosaunee. With increasing encroachment by non-Indigenous settlers in the Township of Puslinch, the Anishinaabe and Haudenosaunee could not continue their traditional lifestyle and settled in their villages along the Credit River and in the Grand River Valley. These Indigenous nations uphold their Treaty Rights within our jurisdiction. Today, the Township of Puslinch remains home to Indigenous peoples from across Turtle Island. We are grateful to have the opportunity to share and respect Mother Earth and are committed to building constructive and cooperative relationships with the Indigenous nations.
