## TOWNSHIP OF PUSLINCH LAUNCHES ANNUAL COMMUNITY ENGAGEMENT SURVEY FOR THE TOWNSHIP'S 2026 PROPOSED BUDGET

PUSLINCH – The Township is excited to launch its annual community engagement survey regarding the Township's 2026 Proposed Budget on [EngagePuslinch.ca](https://EngagePuslinch.ca) to gain citizen feedback.

The budget is a strategic document that prioritizes the Township's services and programs. Your feedback is important in setting priorities and guiding the vision and growth of the Township.

Have you ever wondered how your residential tax dollar is spent? The image below outlines how your residential tax dollar is allocated between the County, the Township and the local School Boards (based on the proposed 2026 budget). It is important to understand how your tax dollars are allocated when prioritizing Township services and programs.

The Township values citizen feedback and wants to encourage the public to share their thoughts on important annual projects such as reviewing Township Budgets.

"The completion of surveys such as the 2026 Proposed Budget Survey helps to provide feedback to Council as to what residents prefer when it comes to setting the annual budget for the year in order to maintain or improve services. I continue to encourage residents to join the conversation as Council considers the 2026 Proposed Budget." Mayor James Seeley.

The survey will be active on the Township's community engagement platform, [EngagePuslinch.ca](https://EngagePuslinch.ca) from January 7, 2026 to January 30, 2026 at 12:00 p.m.

A Public Information Meeting will also take place on January 21, 2026 at 7:00 p.m. to receive public comments regarding the Township's proposed 2026 Budget.
