

THE PUSLINCH PROFILE FEATURES:

The Danish Place

Nestled on a historic property in Crieff, The Danish Place offers a unique dining experience rich in heritage and charm. Located on land once owned by Lt. Colonel J.B. Maclean, the original 1845 building has been beautifully restored. The site also holds a royal connection – during a 1967 visit, Queen Margrethe II of Denmark and Prince Consort Henrik planted two beech trees on the grounds, a lasting symbol of Danish tradition.

This family-run restaurant serves a wide range of authentic Danish cuisine, from fresh soups and salads to classic smørrebrød and hearty entrées. Rooted in the Danish concept of hygge, comfort, connection, and well-being, The Danish Place offers a warm, inviting atmosphere where guests can slow down and enjoy good food and company.

Proudly supporting the local community, The Danish Place encourages residents to shop local and stay connected. They look forward to welcoming guests for their Danish Constitution Day Celebration on Sunday June 7, and are excited to now offer full-service wedding catering and a beautiful venue at Sunset Villa for special occasions.
