TOWNSHIP OF PUSLINCH HOSTING ANNUAL PUSLINCH COMMUNITY SHOWCASE

PUSLINCH – The Township of Puslinch is excited to welcome residents and visitors back to the Puslinch Community Showcase, a community event celebrating local businesses, artisans and community organizations.

The Puslinch Community Showcase will take place on Saturday October 3rd from 10:00 a.m. to 3:00 p.m. at the Puslinch Community Centre Complex (23 Brock Road S). This year's event will feature more than 55 vendors, giving attendees an opportunity to shop local, discover businesses and organizations in the community, and connect with the people behind them. Families can also enjoy bouncy castles throughout the event, and the Optimist Club of Puslinch will be on site offering food for attendees to purchase.

"The Puslinch Community Showcase is a great opportunity to bring residents together while celebrating the businesses, organizations and talented vendors that make our community special," said Mayor Seeley. "We encourage everyone to come out, shop local, connect with neighbours and discover all that Puslinch has to offer. It's an ideal setting to welcome new residents, reconnect with old friends, and recognize the people and local talent that help our rural community thrive."

The Puslinch Community Showcase continues to support the Township's economic development efforts by enhancing the visibility of local businesses and providing opportunities for businesses and community organizations to connect directly with residents. The Township encourages everyone to attend for a day of shopping, food, family activities and community connections.
