Proposed uses of subject land Rural Residential and Agricultural (no change)	
Describe the nature and extent of the amendment(s) being requested The zone change request is being made for the lands municipally known as #6852 Laird Road West (PIN 71214-0182). Why is this amendment or these amendments being requested? The subject property is currently zoned (A-1) which permits a kennel, however there is no existing or proposed kennel operation. Description of Amendment

Amendment to Zoning By-law from
To rezone from Site-Specific Agricultural (A-sp1) Zone

Amendment to Zoning By-law to
To rezoned to Agricultural (A) Zone

Proposed uses of subject land
Rural Residential and Agricultural (no change)

Describe the nature and extent of the amendment(s) being requested

The zone change request is being made for the lands municipally known as #6852 Laird Road West (PIN 71214-0182). Two lot line adjustments have been conditionally approved, where three properties are being reconfigured and the rezoning is required to bring the parcel into zoning compliance and satisfy the Conditions of the severances. The two other parcels are zoned Agricultural and this re-zoning will allow the subject property to also be zoned Agricultural to eliminate split zoning once the parcels are merged and to remove kennel as a permitted use.

Why is this amendment or these amendments being requested?

The subject property is currently zoned (A-1) which permits a kennel, however there is no existing or proposed kennel operation. In order to finalize the two related consent applications, the kennel use must be removed for the merging of the parcels so that there is no split zoning and to eliminate a kennel as a permitted use.

Explain how the amendment to the Zoning By-law is consistent with the Provincial Policy Statement, 2014

The lot line adjustment applications are consistent with Section 4.3.3.2 of the PPS which permits a boundary adjustment within the prime agricultural area. This rezoning is a condition of the boundary adjustment, and the use of the land is not changing, as it will continue to be zoned Agriculture, without the use of a kennel.

Explain how the application conforms to the City's Official Plan

Lot line adjustments are permitted in both the Prime and Secondary Agricultural designations of the Official Plan as stated in Section 10.3.5 and Section 10.4.6 respectively. Both designations and sections reiterate that lot line adjustments are permitted provided there are no adverse effects on agriculture; where a more viable agricultural operation will result and where an undersized lot is made useable. The rezoning conforms with the Official Plan, as the property will be zoned Agricultural without the use of a kennel, which aligns with the Official Plan.

Please find enclosed a Zoning By-law Amendment Application for the above-mentioned properties. Included with this submission are copies of the Zone Change Sketch, Draft Zoning-By-law Amendment and Schedule 'A', PIN Reports, Map, and Deeds, Power of Attorney document and Sourcewater Protection Form. We understand the administration fee to be **\$1,542.00** with the Township.

Proposal:

This Planning Letter has been prepared in support of a conditionally approved Consent applications (lot line adjustments B27-25 & B28-25). The applications were approved January 2026 by the County of Wellington Land Division Committee. The associated Zoning By-law Amendment (ZBA) Application is required to satisfy Condition 8 of the approved severances B27-25 & B28-25 with the Township of Puslinch.

The Zone Change request is being made for the lands municipally known as #6852 Laird Road West (PIN 71214-0182).

Two lot line adjustments have been conditionally approved, where three properties are being reconfigured. The parcels are outlined below:

1. The dwelling parcel – #6852 Laird Road West – PIN 71214-0182 – SUBJECT TO ZONING AMENDMENT APPLICATION
2. The vacant large farm property with frontage along Laird Road West and Pioneer Trail – PIN 71214-0181
3. The vacant small parcel along Laird Road West – PIN 71214-0183

The large farm property and the small vacant property are zoned Agricultural; however the dwelling parcel (#6852 Laird Road West) is zoned a Site-Specific Agricultural (A-1) which permits a kennel. The intention is to rezone the dwelling parcel from A-1 to the standard Agricultural (A) Zone, so that there is no split zoning for the merging of parcels and to eliminate the permitted use of a Kennel on the lands.

The following Zone Change request is being made:

A) To rezone #6852 Laird Road West from Site-Specific Agricultural (A-sp1) Zone which permits a kennel, to the standard Agricultural (A) Zone where a kennel is not permitted.

This zoning request is more administrative in nature to eliminate the permitted use of a Kennel on the lands and to ensure the merging parcels are all zoned the standard Agricultural (A) zone. This is required in order to satisfy the related conditions and finalize the severances.

We are of the opinion that the Zoning Amendment follows the relevant planning policies of the Zoning By-law, Official Plan and Provincial Policy Statement.

Background on Approved Consent Applications:

The approved consents will reconfigure the parcels as outlined below:

Lot Line Adjustment #1 (B27-25):

Severing a 2.8±ha parcel from #6852 Laird Road West (PIN 71214-0182), with the old milk sheds, and adding it to the adjacent large agricultural property (PIN 71214-0181) which has over 34.3±ha, for continued agricultural use. The old milk sheds are being removed as part of the severance.

Lot Line Adjustment #2 (B28-25):

Severing a 0.7±ha vacant parcel from the side yard of #6852 Laird Road West (PIN 71214-0182) and merging it with the small (0.4±ha) vacant rural parcel to the west (PIN 71214-0183) to allow for additional space outside of the natural features to construct a dwelling.

Retained Parcel (B27-25 & B28-25):

The Retained Parcel of both applications will be #6852 Laird Road West, which will have a frontage of 88±m, depth of 106±m, for an area of 1.0±ha where the existing dwelling and shop will remain. A new entrance is proposed and has been evaluated to access the dwelling. There is a detached carport that crosses the proposed boundary and it will be removed as part of the severance.

Planning Policies:

The subject properties are zoned Agricultural (A-sp1), Agricultural, and Natural Environment. The final parcel configurations will meet zoning in terms of lot frontage, lot area and setbacks.

The intention is to remove the A-sp1 zone and rezone to the standard Agricultural (A) zone, which will eliminate a kennel as a permitted use and ensure there is no split-zoning for the Merged Parcels.

The subject properties have an Official Plan designation of Prime Agricultural, Secondary Agricultural and Core Greenlands.

Lot line adjustments are permitted in both the Prime and Secondary Agricultural designations of the Official Plan as stated in Section 10.3.5 and Section 10.4.6 respectively. Both designations and sections reiterate that lot line adjustments are permitted provided there are no adverse effects on agriculture; where a more viable agricultural operation will result and where an undersized lot is made useable.

This type of severance and related zoning by-law amendment aligns with the Provincial Policy Statement (PPS) as noted in Section 4.3.3.2 where it states that lot line adjustments may be permitted for legal or technical reasons. This will also allow for an increase agricultural operation. The rezoning is to remove an additional kennel use on the rural residential parcel.

For both applications – there will be no adverse effect on agricultural. With the first application, a more viable agricultural operation will result. The 2.8±ha parcel will be vacant once the buildings are removed and this will be used as agricultural field and added to the large agricultural parcel for a combined area of over 37±ha. The second application is not removing any agricultural land, as it is vacant side yard for the existing dwelling parcel and this lot line adjustment will increase the size of the small rural residential parcel that has limited space to build a dwelling due to the natural features – so essentially making an undersized lot useable.

Conclusion:

In summary, the conditionally approved severances and proposed zoning amendment are logical to reconfigure parcels to create a more viable agricultural operation and allow an undersized lot to be useable, all while following the zoning requirements and planning policies. The rezoning will remove the kennel use from the subject property, reverting to the standard Agricultural zone in order to achieve zoning compliance with the Township.

CONTINUING POWER OF ATTORNEY FOR PROPERTY

This is a continuing Power of Attorney for Property made in accordance with the *Substitute Decisions Act*, SO 1992, c30 (hereinafter, "SDA").

THIS CONTINUING POWER OF ATTORNEY is given on this 15th day of May, 2025 by **LEONA LUCY REID** of the City of Guelph, in the Province of Ontario.

REVOCATION

1. **ANY PRIOR** Power of Attorney for property previously given by me is hereby revoked.

APPOINTMENT

2. **I APPOINT** my son, **RAYMOND GILBERT REID** to be my Attorney for property, and to do on my behalf, anything that I could do with respect to my property subject to any conditions and restrictions contained herein.

SUBSTITUTE APPOINTMENT

3. If the above appointed Attorney is unable to act by reason of death, becoming incapacitated or resignation, I substitute and appoint my son, **RICHARD MELVILLE REID** to be my Attorney for my property, in the place of the Attorney appointed in paragraph 2 hereof. I herein refer to my Attorney or my Attorneys, whether as originally appointed pursuant to paragraph 2, or appointed in substitution, as my "Attorney".

6. **THIS POWER OF ATTORNEY** is subject to the following conditions and restrictions: **NONE.**

PROOF OF AUTHORITY

4. The presentation of this Continuing Power of Attorney, or a notarized copy of it, by a person who identifies themselves as one of my Attorneys appointed pursuant to this document, is sufficient proof to a person to whom this power or a notarized copy is presented, without further investigation by such person, of the Attorney's authority to act. The presentation of a written statement or a notarized copy of such statement, signed by one of my Attorneys and asserted that any other of my Attorneys has died, is incapable, has resigned, or is otherwise unable or unwilling to act or to continue to act as my Attorney, is sufficient proof to any person to whom such a statement or notarized copy is presented, without further investigation by such person that the assertion is true and all persons may rely upon such assertion and shall not be liable or accountable for such reliance.

GRANTOR'S ACKNOWLEDGEMENT

5. **IN MAKING THIS POWER OF ATTORNEY**, I acknowledge that I am aware:
- (a) of the nature and extent of my property;
 - (b) of the obligations I owe to my dependents;
 - (c) that my Attorney will be able to do on my behalf anything in respect of property that I could do if capable, except make a Will;
 - (d) that my Attorney must account for dealings with my property;
 - (e) that I may, while capable, revoke this power of Attorney;
 - (f) that the value of my property administered *by my Attorney* may decline unless my Attorney manages it prudently; and
 - (g) that there is a possibility that my Attorney could misuse the authority given by this power of Attorney.

CONDITIONS AND RESTRICTIONS

6. **THIS POWER OF ATTORNEY** is subject to the following conditions and restrictions: **NONE.**

SUPPLEMENTARY POWERS

7. **I HEREBY GRANT** the following supplementary powers to my Attorney:
- (a) my Attorney may delegate any act to some other person; and may revoke or suspend such delegation;
 - (b) in order to give effect to my wishes expressed here and those expressed in any Power of Attorney for personal care which I have made in the past or may make in the future, my Attorney shall not be bound to conserve my estate for the benefit of my heirs.
 - (c) if my spouse disposes of or encumbers any interest in a matrimonial home in which I have a right to possession under Part II of the *Family Law Act*, I authorize (but for greater certainty do not direct) my Attorney, for me and in my name to consent to the transaction as provided for in subsection 21(1)(a) of the said Act.
 - (d) I hereby declare that my Attorney may make gifts and loans to my relatives and friends and may make charitable gifts from my property subject to the guiding principles set forth in the *Substitute Decisions Act, 1992*. Since compliance with the guiding principles is a matter of judgement, it is my wish that my Attorney's decisions be accepted because of the confidence I have in my Attorney.
 - (e) I authorize my Attorney to initiate and defend any legal proceedings relating in any way to my property and to act as my litigation guardian in any such proceedings.
 - (f) I authorize my Attorney to act as my "legal representative" for the purposes of and as such term is defined in the *Income Tax Act (Canada)*.

- (g) I authorize my Attorney to engage the services of one or more investment counsel managers, mutual fund managers or investment advisers (referred to as the "Investment Adviser") as my Attorney from time-to-time thinks fit to advise my Attorney with respect to the investment and reinvestment of my property. My Attorney may delegate to the Investment Adviser any or all of the discretionary powers of my Attorney. My Attorney shall determine the remuneration of the Investment Adviser and the reimbursement of the Investment Adviser's expenses. Such remuneration and expenses shall be paid by my Attorney out of the capital or income or partly out of income and partly out of capital of my property in such proportions as my Attorney shall determine.
- (h) If I have one or more assets which qualify as a "plan" within the meaning given to such term in Part III of the *Succession Law Reform Act* (Ontario) with respect to which I have designated a beneficiary or beneficiaries (referred to as the "Initial Plan") and if the Initial plan is required to be converted to another form of plan in order to preserve the tax benefit of such plan (referred to as the "New Plan"), then I direct my Attorney to, on my behalf, designate the person or persons who is the beneficiary of the Initial Plan to be the beneficiary or beneficiaries of the New Plan and I declare this shall be a duty of my Attorney in order to ensure that the person or persons whom I have named as beneficiary or beneficiaries of the Initial Plan maintain the benefit I intended such person or persons to have.
- (i) I declare that my Attorney shall not be liable for any loss that may happen to my property or be suffered by me or any other person resulting from the exercise by my Attorney of any discretion given them in this document which is exercised honestly and in good faith.

CONTINUING POWER OF ATTORNEY

8. I declare that this power of Attorney may be exercised during any subsequent legal incapacity on my part. It is my intention that this document be a continuing power of Attorney for property pursuant to the Substitute Decisions Act, 1992 ("SDA").

CERTIFICATION UNDER MENTAL HEALTH ACT

9. **I DECLARE** that, after due consideration, I am satisfied that the authority conferred on the Attorney named in this power of Attorney is adequate to provide for the competent and effectual management of all my estate in case I should become a patient in a psychiatric facility and be certified as not competent to manage my estate under the Mental Health Act. I therefore direct that in that event, the Attorney named in this power of Attorney may retain this power of Attorney for the management of my estate by complying with the provisions of the Mental Health Act and in that case the Public Guardian and Trustee shall not become guardian of my estate as would otherwise be the case under that Act.

RATIFICATION

10. **I DO HEREBY** ratify on my own behalf and my heirs, executors and administrators the actions taken by my Attorney pursuant to this Power of Attorney;

- a) during the time of its effect until my death or;
- b) after the date of my death before my Attorney shall be aware of my death, or;
- c) after the date of my revoking the Power of Attorney before my Attorney shall be aware of such revocation.

COMPENSATION

11. **I AUTHORIZE** my Attorney to receive, and draw on an interim basis, compensation from my estate in a fair and reasonable amount, including out of pocket

expenses and labour costs or such amount as may be prescribed pursuant to the **SDA**, to compensate my Attorney for the care, pain, trouble and time expended in the administration of my estate.

DATE EFFECTIVE

12. This Power of Attorney for property comes into effect as of the date of execution set out above.

I HAVE SIGNED this Power of Attorney in the presence of both of the witnesses whose names appear below.

Leona Lucy Reid

Monika Farncombe
7404 Wellington Road 34,
Puslinch, Ontario

Dear Monika Farncombe,

RE: **NPG Comments**
6859 Laird Road West

RE: Application for Zoning By-law Amendment - Determination of Completeness

NPG Planning Solutions Inc. (NPG) has been retained to provide comments regarding a Zoning By-law Amendment Application for lands municipally known as 6852 Laird Road West (Subject Lands). The application is required to fulfill the conditions of consent for applications B27-25 and B28-25 that were provisionally approved for the Subject Lands. Accordingly, the conditions of the consent applications require the owner to obtain zoning compliance for the proposed merged parcels and the retained parcel, including but not limited to receiving approval of a Zoning By-law Amendment to rezone the severed parcels to remove the kennel use. The applicant has requested to rezone the entirety of the Subject Lands, including the severed parcels and the retained parcels from the current Agricultural Site-Specific Zone A(sp1) to an Agricultural Zone (A) in the Township of Puslinch Comprehensive Zoning By-law No. 023-18 (Puslinch Zoning By-law), to prohibit the kennel use.

The Subject Lands are approximately 2.8 hectares in size and currently contain a detached dwelling. The existing car ports and sheds on the lands are proposed to be removed. There is a Grand River Conservation Authority's (GRCA) regulated waterbody located on the Severed Parcel #2. Surrounding uses consist mostly of agricultural uses, with residential uses located further north (in the City of Guelph). The lands subject to the proposed Zoning By-law Amendment application are within 120 metres of a provincially significant wetlands located on the agricultural parcels to the west and south across Laird Road West.

This is the first submission for a Zoning By-law Amendment Application. As part of the submission, NPG has reviewed the following documents:

- Zone Change Sketch prepared by Van Harten Surveying Inc. dated May 5, 2026;

- Planning Letter prepared by Van Harten Surveying Inc. dated May 4, 2026;
- PIN Map for PIN 71214-0182;
- Parcel Registers for parcels for PIN 71214-0183 (File No. B28-25); PIN 71214-0182; PIN 71214-0181 (File No. B27-25);
- Property Deed for Instrument MS9298;
- Source water Protection Form;
- Draft Zoning By-law and associated Schedule;

1. Determination of Completeness:

- a. The application for Zoning By-law Amendment application should be deemed incomplete until the items outlined in #2 are provided.

2. Additional Requirements:

- a. A Planning Opinion that is prepared and signed by a Registered Professional Planner; and
- b. A conceptual site plan for the merged parcel in application B28-25, illustrating proposed building, structure and private servicing systems on the land is required if any site-specific relief from the Puslinch Zoning By-law is requested.

3. Provincial and County Policies:

Dear Monika Farncombe,

Re: Zoning By-law Amendment D14-REI
6852 Laird Road West, Township of Puslinch
Raymond Reid

Grand River Conservation Authority (GRCA) staff have reviewed the above-noted zoning by-law amendment to rezone the subject lands from Site-Specific Agricultural (A-sp1) Zone to Agricultural (A) Zone.

Recommendation

The GRCA has no objection to the proposed zoning by-law amendment. However, as part of this application, GRCA staff recommend rezoning the portion of land within GRCA's regulation limit as Environmental Protection Zone Overlay.

Documents Reviewed by Staff

GRCA staff have reviewed the following documents submitted with this application:

- Zone Change Sketch (prepared by Van Harten Surveying Inc., dated May 5, 2026)
- Cover Letter (prepared by Van Harten Surveying Inc., dated May 4, 2026)
- Draft Zoning By-law and Schedule A

GRCA Comments

GRCA has reviewed this application under the Mandatory Programs and Services Regulation (Ontario Regulation 686/21), including acting on behalf of the Province regarding natural hazards identified in Section 5.2 of the Provincial Planning Statement (PPS, 2024), as a regulatory authority under Ontario Regulation 41/24, and as a public body under the *Planning Act* as per our CA Board approved policies.

Information currently available at this office indicates that the subject lands contain a regulated waterbody and the regulated allowance adjacent to the waterbody. A copy of GRCA's resource mapping is attached.

Due to the presence of the features noted above, part of the land to be rezoned is regulated by the GRCA under Ontario Regulation 41/24 – Prohibited Activities, Exemptions and Permits Regulation. Any future development or other alteration within

the regulated area will require prior written approval from GRCA in the form of a permit pursuant to Ontario Regulation 41/24.

It is understood that the application proposes to rezone portions of the subject lands from the Site-Specific Agricultural (A-sp1) Zone to the Agricultural (A) Zone. The application is required to satisfy Condition 8 associated with Applications for Consent B27-25 and B28-25. GRCA has no objection to the approval of the proposed zoning by-law amendment.

While the GRCA has no objection to the proposed zoning by-law amendment, GRCA staff recommend rezoning the portion of land within GRCA's regulation limit as Environmental Protection Zone Overlay.

We wish to acknowledge receipt of the applicable plan review fee for GRCA's review of the related applications B27-25 and B28-25. As such, a plan review fee for this application is not required.
